Some comments from families who have used the service...

- *“Words are inadequate to express the gratitude my family owe to the nurses from Hospice at Home. Their unobtrusive involvement, calmness and nursing skills enabled my dear husband to die, as we both wished, peacefully at home.”*
- *“We could not possibly have managed without the Hospice at Home team. We are indebted to you all and are full of admiration for your efficiency and for the compassion you showed to our Mother and to both of us.”*
- *“Thank you for the kindness and care provided by you all during my Uncle’s illness and for the help you were to our Aunt. You made such a difference to both of their lives during a very stressful time.”*

## Providing Hospice Care in your Home

Registered Charity No. 1095708

## What is Palliative Care?

Palliative care is an approach that improves the quality of life of patients and their families facing the problem associated with life-threatening illness, through the prevention and relief of suffering by means of early identification and impeccable assessment and treatment of pain and other problems, physical, psychosocial and spiritual.

World Health Organisation

**Locally Hospice at Home Carlisle and North Lakeland provides a specially trained palliative care service for patients at the end stages of life, regardless of cause, who prefer to remain in their own home with all that is familiar about them.**

**Services provided include:-**

- Nursing and emotional support to patients, their relatives and carers. This will include elements of personal care, respite provision and specific nursing care.
- Bereavement support including both pre and post bereavement.
- Complementary therapies for the patient and their relative or carer.
- Hospice at Home also manages the specialist services of Lymphoedema, Occupational Therapy and Penrith Day Hospice.

All the above services are free of charge and as far as possible the care is tailored to the individual need of the patient and their carers.

## Who can refer?

Patients can be referred to the Service by the GP, District Nurse, other Health or Social Care professionals such as MacMillan Nurses, Social Workers, Hospitals both acute and community or individuals themselves can refer.

## The Hospice at Home service covers the whole of rural North and East Cumbria and the city of Carlisle

Approximately 1,500 square miles with a population of 188,000

## Costs

The service costs more than £775,000 a year to run of which we need to raise £490,000.

## How can you help to make a difference?

### Make a donation

You can make a single donation or a regular payment, by completing the form overleaf. If you are a UK taxpayer you can add 28% to your donation, at no extra cost to you, through the Gift Aid Scheme.

### Organise a fundraising event

- As an individual or as part of a group, an organisation or with work colleagues.
- Support us by remembering us at special celebrations, birthdays or anniversaries.
- Take part in a sponsored event or challenge event - run a marathon/climb a mountain.

### Volunteer for us

You could volunteer to work in our Charity Shop or Office or help with fundraising events or collections.

### Sponsor part of our activity

You can give a financial contribution to support an event, or part of our work or make an in-kind contribution by offering your goods or services, for an event or as a raffle prize.

### Legacy

You can leave a lasting memory by making a bequest in your Will. Please ask for our Legacy booklet for further information on giving in this way.

### Payroll giving

Why not set up a payment direct from your salary to Hospice at Home.
