Dear Supporter,

Thank you for visiting our Hospice at Home Carlisle and North Lakeland website to download a legacy pack, and Help Our Work Live On.

Myself or Fiona Stobart, CEO and Founder of the Charity also would warmly welcome you to visit the Clinical and Fundraising Office at Valley Court, Barras Lane, Dalston where you can learn how just important your gift would make to the patients of tomorrow.

Hospice at Home are fortunate to receive legacy gifts from supporters from time to time, so thank you once again for your consideration. Legacy gifts create a lasting difference, which will support future local patients and their families who need our Clinical Services Team when faced with difficult and devastating circumstances. Our aim is and always will be to provide a peaceful and dignified death at home and by leaving a lasting legacy you will be making a difference to future patients, families and carers within our community.

Please do not hesitate to contact me should you have any questions.

With best wishes
