Hospice at Home Carlisle and North Lakeland (Hospice at Home), is a local, independent charity committed to providing high quality care and support for adults who have palliative and end of life care needs and also for their relatives/carers.

We are currently seeking a Registered Nurse to work within our well established, night nursing team.

You will be required to work as a palliative care nurse with expertise in assessing needs and providing holistic care to patients and families. You will work alongside the wider multi-disciplinary team and will need to be flexible in your working patterns. You must be able to work autonomously and to be able to deliver high quality care. Ideally you will have community nursing or palliative care experience.

Hospice at Home is committed to staff development and operates a robust supervision and appraisal system.

Must be able to travel independently across the geographical area covered by the service.

Positions subject to DBS check.
